2. This promotion is only applicable to the basic plan's premium. All supplementary benefits' premium (if any) will not be taken into account in calculating the premium discount.
3. The applicable premium discount as specified above will be applied to each premium amount due and payable for the first/second policy year respectively (as the case may be) according to the payment mode of the Eligible Policy. Each premium amount due and payable of the basic plan of Eligible Policy for the second policy year will be calculated based on the premium after applying Manulife**MOVE** discount, if Manulife**MOVE** discount is applicable to such Eligible Plan.
4. If there are any subsequent changes (including but not limited to coverage class change) on the basic plan of the Eligible Policy before the end of the first/second policy year (as the case may be):
 - i. If the change results in an increase in basic plan's premium, the basic plan's premium before the increase will be used to determine the amount of premium discount for the first/second policy year respectively (as the case may be).
 - ii. If the change results in a decrease in basic plan's premium, the basic plan's premium after the decrease will be used to determine the amount of premium discount for the first/second policy year respectively (as the case may be), which would be adjusted as if the relevant change(s) occurred in the beginning of the first/second policy year (as the case may be). Manulife shall have the right to request the policyowner to pay back the difference between the premium discount provided to the Eligible Policy and the entitled premium discount amount after adjustment.
5. The premium discount for the first/second policy year (as the case may be) will cease to apply immediately if there are any subsequent alterations (except where specified in (A4) above) to or termination of the Eligible Policy in the first/second policy years (as the case may be) for whatever reasons before applying the amount of the premium discount.
6. The premium discount is applicable to all payment modes, but not applicable to prepayment of premiums.

B. Premium discount for Manulife Supreme Lite Medical Supplementary Benefit

1. This promotion is only applicable to a new application for the Manulife Supreme Lite Medical Supplementary Benefit which is attached to any new/existing policy ('Eligible Policy') and such application has been successfully submitted via a Manulife insurance advisor from April 1, 2026 to May 10, 2026 (both dates inclusive) and approved by Manulife on or before June 30, 2026 ('Eligible Supplementary Benefit').
2. This promotion is only applicable to the Eligible Supplementary Benefit's premium. All Eligible Policy's basic plan premium, premium of other supplementary benefits or prepayment of premium (if any) will not be taken into account in calculating the premium discount.

Below are two illustrative examples:

Example 1:

Assumptions:

- Policy year date of Eligible Policy: 1 December 2023
- Coverage effective date of Eligible Supplementary Benefit: 1 December 2023

Example 2:

Assumptions:

- Policy year date of Eligible Policy: 1 December 2023
- Coverage effective date of Eligible Supplementary Benefit: 1 January 2024

Under Example 2, the Subsequent Policy Year would be the third policy year of the Eligible Policy, i.e. from 1 December 2025 to 30 November 2026

Remarks: These examples are hypothetical and are strictly for illustrative purposes.

- iii. If there are any subsequent changes (including but not limited to coverage class change) on the Eligible Supplementary Benefit before the end of the Subsequent Policy Year:

 - b) If the change results in a decrease in the Eligible Supplementary Benefit's premium, the Eligible Supplementary Benefit's premium after the decrease will be used to determine the entitled premium discount amount for the Subsequent Policy Year, which would be adjusted as if the relevant change(s) occurred in the beginning of the Subsequent Policy Year. Manulife shall have the right to request the policyowner to pay back the difference between the premium discount provided to the Eligible Supplementary Benefit and the entitled premium discount amount after adjustment.
